A SALOON LICENSE  
MAY BE REVOKED

Proprietors Asked to Show Cause Why  
License Should Not be Granted.

It has been learned on good authority that the proprietors of the Anheuser saloon have been served with papers citing them to appear before the board of supervisors to show cause why their license should not be revoked. As long ago as last summer this action was predicted and the proprietors were warned that unless their place of business was conducted in a more orderly fashion, the matter would be brought to the attention of the supervisors. Just what led to the present episode, wherein one of the firm was found guilty of selling liquor to an habitual drunkard after due warning had been given by writing had something to do with it. From the observations of several who seem to know something about the matter, there seems to be a pretty good prospect that the license will be revoked.

#### NO EXCUSE.

What excuse have you to make for going by Hyder Bros' store without stopping in. Don't you know that there is something doing there every minute. You might as well say you were in Chicago and didn't stop in at Marshall Field's as to say you were down town and didn't stop in at Hyder's.

Make it a point to stop whether you are going to do any shopping or not. You are always welcome to the House of Quality. Our millinery department is ready to receive you any time; try on the hats and if the prices and styles do not appeal to you, you are under no obligation to buy and you will be just as welcome. It will do you good anyway. We have received your many compliments every day with great pleasure.

Yours for the top notch. **h s**  
**A COMPLIMENT.**  
H. Hornberger of Springfield, Ill., was a visitor here yesterday. His presence here was something of a compliment to both The Republican and Hyder Bros., for it was while reading one of that firm's ads in this paper, he noticed the name of Mrs.

Culler who is in charge of the new millinery department. He is a relative of Mrs. Culler but had not the slightest idea that she was in this section of the country. He came over yesterday to call on her. Mr. Hornberger is spending some time in the valley looking over the country.

#### Warning to Railroad Men

Look out for severe and dangerous kidney and bladder trouble resulting from ears of railroad. Geo. E. Bell, 639 Third St., Fort Wayne, Ind., was many years a conductor on the Nickel Plate. He says: "Twenty years of railroad left my kidneys in a terrible condition. There was a continual pain across my back and hips and my kidneys gave me much distress, and the action of my bladder was frequent and most painful. I got a supply of Foley Kidney Pills and the first bottle made a wonderful improvement and four bottles cured me completely. Since being cured I have recommended Foley Kidney Pills to many of my railroad friends." Elvey & Hulett, quality druggists.

Gas and electric bills must be paid on or before the 10th to get discounts.

#### TONIGHT'S PROGRAM.

The moving picture show at the Goodwin opera house will be for the benefit of the free reading room and the following program will be rendered: Pictures, reading, solo, pictures, duet, reading, moving pictures, instrumental solo, violin and piano duet, pictures.

No discounts allowed for gas and electric after the 10th.

Call at our office or mail checks for gas and electric bills and save discounts.

**INCORPORATION ARTICLES.**  
The articles of incorporation of the Tempe Woolen Mills company were filed some time ago and copies have been received by the Tempe News for the period of publication as required by law. The incorporators are E. C. Stroud, F. L. Richmond and F. W. Woodring. The principal place of business is Tempe but the company may also have a branch office in Chicago. The authorized amount of capital stock is one million dollars divided into one hundred thousand shares of the par value of ten dollars each. All of this is good news to the people of Tempe as it is further evidence of the fact that the company means business.

**BUSINESS VISITOR HERE.**  
Geo. H. N. Lührs of Phoenix was a business visitor here yesterday between trains. He has arranged for some needed improvements on the Andre building which will be made shortly.

**SHIPPED CAR HERE.**  
Robert Burnister and George H. Cook were over from Phoenix yesterday afternoon and shipped back the former's automobile that was left here earlier in the week upon their return from Globe. Probably within another week, these things will be of the past. There will be a bridge across the river here and autos will be able to cross the stream at any time, regardless of the quantity of water it is carrying.

**REPAIRS PROGRESSING.**  
The repairs on the Beauvais property are progressing nicely. Most of the partially burned porch has been torn down and carpenters are engaged in reconstructing it. The damaged front has also been taken out and new glass will be put in. The corner will appear decidedly different in the course of another week or so.

**OVERLAND PRESIDENT HERE.**  
T. Stoddard, president of the Overland Telephone company, was a business visitor here Wednesday. He expresses himself as very well pleased with the outlook for the Overland in Tempe and says that every effort will be made to have the service in operation here in a short time.

**FEED IS FINE.**  
C. P. Mullen returned yesterday morning from a business trip to his range at Hillside. He reports conditions there in splendid shape. There has been plenty of rain and in consequence there is an abundance of feed and cattle are fast putting on fat.

**FREE BOOK ON PILES.**  
Tells How to Cure Them With Internal Medicine.

Do you know the cause of piles? Is it internal or external? Will salves, suppositories, or cutting remove the cause? How can one be cured permanently? Do you know how Dr. J. S. Leonard found the cause and cure? All these questions answered fully in a booklet mailed free by Dr. Leonard Co., Station B, Buffalo, N. Y., or at Lovett Drug Co., Phoenix, Ariz., and druggists everywhere who sell the successful remedy, Hem-Roid, under guarantee, at \$1 per large bottle.

### MESA

#### GREAT SLAUGHTER IN TRANSPORTATION.

It is no doing of interstate commerce or of the Mesa commercial club. A trip around the entire world for 50 cents, meals included. The principal countries to be visited are Mexico, Japan, Germany and Ireland. In each country you will be given an opportunity to learn their customs and can partake of refreshments peculiar to each place. Reservations should be made early, as a great many people are going to take advantage of the rates, and we would advise you to be at the depot promptly.

by at 5 o'clock p. m. when the first car will leave. No such rates will be offered again. These rates are offered so that the heavy traffic will level the road for "Teddy" and his party.

#### BORN.

Miss Alice Jane put in an appearance at the home of Mr. and Mrs. Everett Wilbur Wednesday morning.

**RETURNING TO CALIFORNIA.**  
Mrs. M. S. Smith who has been visiting at the home of W. S. Dorman for the past few months will leave Friday for her home in Redondo, California.

**GONE TO LOS ANGELES.**  
W. K. Bowen left today for Los Angeles with the county board of supervisors, who are going to inspect the causeways and their protection along the bridges across some of the streams of southern California. There is a necessity for protection for the center street bridge, for which purpose the supervisors are making the trip.

### That Feeling Of Fullness

Disappears in Five Minutes After Taking a Stuart's Dyspepsia Tablet.

A Trial Package Sent Free on Request. All of the unpleasant sensations attendant upon eating too heartily are instantly relieved by a Stuart's Dyspepsia Tablet. Like sticking a pin into a rubber balloon. The reason is simple and easy to understand.

Inflation Of The Stomach From Undigested Food Quickly Relieved By A Stuart's Dyspepsia Tablet.

When you take food into a stomach that is tired and over-taxed the gastric juices do not form fast enough to digest it properly. So the food becomes sour and at once begins to throw off gases. Your stomach becomes inflated just as surely as if you attached a toy balloon to a gas jet. Then the buses and foul odors issue forth and pollute your breath making you an object of nausea to your friends. Your tongue quickly becomes coated and you can taste the foulness that is within you.

Now all this condition is changed almost instantly by a Stuart's Dyspepsia Tablet. This little digester gets busy at once—supplies all the digestive juices that were lacking—digests the food in a jiffy and opens up the clogged stomach and bowels. It also sweetens and refreshes the mucous lining of the stomach and bowels and restores peace and content.

If you will give Stuart's Dyspepsia Tablets a chance they will not only sweeten your stomach but also your disposition and you will never have another stomach ailment.

One grain of a single ingredient in Stuart's Dyspepsia Tablets will digest 3,000 grains of food. This saves your stomach and gives it the rest it needs. All muscles require occasional rest if they are ever over-taxed. The stomach is no exception to this rule.

Try a box of Stuart's Dyspepsia Tablets and you will wonder how you ever got along without them. They are sold at 50 cents by all druggists everywhere. A trial package will be sent free on request to F. A. Stuart Co., 150 Stuart Bldg., Marshall, Mich.
